Austria is a largely mountainous and breathtakingly beautiful country with a rich musical past: where the likes of Schubert, Beethoven, Schoenberg, Haydn, and Mozart lived and/or worked, among countless others. Trace their footsteps, along with those of Dvořák, Mahler, and Bartók, as you experience the wonders of the Austro-Hungarian empire. This part of the world is rich in cultural history, and features a combination of varied and beautiful terrain with medieval castles tucked along flowing rivers, along with a warm and fun-loving citizenry.
